Letter No. C. 1093 dated 2nd Feb: 1903 from the Dy Commissioner Kolar District

---

A petition addressed to H. H. the Maharaja from Patel Rachè Gowda and others requesting the levy of certain octroi duties in the Koivara village for the benefit of the Sri Narayanaswamy temple at the place was transferred to this office for disposal with

the Private Secretary's No. 47 dated 22nd August 1902 This was forwarded to the Dy Comm'r of Kolar for report

From the records received with the Dy Comm'r's letter cited above, it is observed that the marginally[x] noted lands are endowed as Inam to the temple, the Pujari who is in possession of the lands paying only the local cesses due thereon Besides, the temple gets a Sprass allowance of one Re per annum. Besides this, the temple has no other source of income

income. It is to meet the expenses of the annual Car festival that the petitioners request the levy of octroi duties -

In regard to this, the Auditor reports that the levy of a market rent in the year (1900) is not likely to be advantageous, considering the small amount of Rs 1-12-0 or Rs 2 that may be collected for which an employment of peons officials would be required. He proposes that a ~~shop~~ pound rent on shops may be imposed during the annual Car processions

temporarily to ascertain what the resources would be - Mr Dr Connell states that the Amildars suggestion is a good one

The temple has no car of its own ~~the~~ no Co The Amildar states that if permitted he will tentatively arrange for a car feast- collecting voluntary subscriptions getting a car from some other village & then collect ground rent on shops as per scale detailed in his English report- dy 11.12.02

// The petitioners request that Govt may be pleased to sanction a sum of Rs 75- for the annual car festival

if their proposal to
levy octroi duties
as above mentioned
is not sanctioned
but in regard to this
the Dy Commr says
it will be an inconvenient
precedent.

In another case,
the levy of rent
from traders assembling
in the ~~tope~~ attached
to the mallikarjuna temple
at Mudukulore for its
benefit has been sanctioned

Draft 12/3/03

Proceedings of the Dewan to His Highness the Maharaja of Mysore, (Revenue),—dated 24th April 1885.

READ—

Letter No. 687, dated 18th December 1884, from the Deputy Commissioner of Mysore, soliciting instructions in the matter of levying a tax from traders who assemble at Jatras.

No. 613—17, DATED BANGALORE, 24TH APRIL 1885.

ORDER THEREON.—The Dewan is satisfied that the large tope at the foot of the Mudukutore hill is the property of the Mallikarjuna temple situated on the hill-top, and that any revenue which may legally be collected for the use of the tope by traders assembling at the jatra, must be credited to the temple funds. He therefore directs that the amount now reported to have been credited to Government without any authority, be refunded to the institution.

2. As regards the legality or otherwise of levying any tax on the traders who assemble for the purpose of trade at the jatra, the Dewan is of opinion that the levy is not by way of tax, but as rent for the use of the tope which belongs to the temple. All traders who do not agree to pay the rent fixed, should not be allowed to set up shops in the tope. The collection of rent, as proposed by the Muzarayi officer, will not be an unpopular measure, when it is explained to the people that the collection will be credited to the temple for its maintenance. The Dewan therefore sanctions the imposition of a small shop rent for the annual jatra season; the rates of course should vary according to the nature of trade, and the Deputy Commissioner, in consultation with the Muzarayi officer, will frame a reasonable scale of rates and publish it at the jatra time for the information of those concerned. The collections should be credited to the temple, and such portion of it, as may be necessary, should be devoted to the temple service, as recommended by the Muzarayi officer. Vernacular proceedings are returned.

Sir,

With reference to your official memorandum No: 379 dated 2nd September 1902 forwarding for report petition No: 25-47/13-1 dated 23.6.1902 received from Bachegowda and others requesting sanction for the levy of Octroi duties in the Kivara Village of the Chintamani Taluk for the benefit of Sree Narayanaswamy temple in the said Village, I have the honor to submit herewith a detailed report

on

the petition received from the Amildar of Chintamani Taluk with his No: 34 dated 11th December 1902.

2. Kaivara is a large-sized village in the Chintamani Taluk with a population of 1664. The temple in question is an ancient institution with a large number of devotees. It enjoys Inam land assessed at Rs 68 and a Cash inam of Rupee 1 per year as stated in the Amildar's report. The object of the petitioners is to arrange for the annual performance of Ratotsava (Car festival) in the temple. The expenses of the Ratotsava may amount to about Rs 75 and the petitioners pray that this sum may be sanctioned annually by Government for the purpose or that the Government may sanction the levy of octroi duties on the occasion of the week Santes which

meet- in the Village every Thursday -

3. As reported by the Amildar the levy of octroi duty at the weekly Santes for the purpose of Katotsava does not seem to be advisable. It is for the Government to decide how far the other alternative - that Katotsava expenses should be sanctioned by Government annually from the Huzur funds - may be entertained. I am of opinion that, if sanctioned, it will form an inconvenient precedent as there are many temples of this nature in the Province.

I have the honor to be
